Deposit Agreement and Receipt

This is an agreement between buyer (stated below) and the Seller. Buyer understands that the deposit is non-refundable. In the event that something should happen to the puppy in which the deposit was placed on before the puppy is ready, the deposit will then be credited towards the purchase of another puppy that the buyer and seller both agree upon. If a puppy of which the deposit is placed does not become available we agree to the refund of the deposit. The deposit is placed on a puppy, that puppy is removed from all advertising and must be picked up at 8 weeks of age (unless other arrangements have been made with seller).
